IRIS ADVANTAGE

IRIS ADVANTAGE OFFERS FOR VISION CORRECTION SURGERY

Valid only for Diabète Québec members and their families.

Be sure to register to receive your advantage offers.

A preoperative consultation should be performed by an IRIS optometrist to determine if you are a good candidate for surgery. If you are determined a potential candidate, you only have to present your Advantage Certificate and Diabetes Quebec membership when paying for your procedure to receive your benefit.

LASER CORRECTION SAVE \$250

Ultralasek surgery for both eyes.**

**This offer applies exclusively to Ultralasek surgery. Minor surgeries and eye exam fees are excluded; this offer is based solely on laser surgery performed on both eyes. Only one IRIS Advantage coupon of \$250 per person, is admissible upon payment of laser surgery performed on both eyes. All eye surgeries are performed by Ophthalmologists at the IRIS Ophthalmology Clinic in Laval, Quebec. Please note that, the Ophthalmologist has the professional right to refuse treatment of patients that are not candidates for surgery, without compensation to the patient. This offer cannot be combined with any other promotional offer.

VISION CORRECTION THROUGH INTRAOCULAR LENS IMPLANTS SAVE \$250 PER EYE

On vision correction through intraocular lens implants.†

†This offer applies exclusively on Liberty Plan or Liberty Ultra intraocular surgery. It does not apply to Clarity Plan or Clarity Ultra intraocular surgery, minor surgeries and eye exam fees. Only one IRIS Advantage coupon of \$250 is admissible per eye/per person. Please present your \$250 (per eye) IRIS Advantage Coupon upon payment. All eye surgeries are performed by Ophthalmologists at the IRIS Ophthalmology Clinic in Laval, (QC). Please note that, the Ophthalmologist has the professional right to refuse treatment of patients that are not candidates for surgery, without compensation to the patient. This offer cannot be combined with any other promotional offer.

IRIS ADVANTAGE

a special invitation for the members of Diabetes Quebec

IRIS, The Visual Group is the largest network of professionals in Canada which includes more than 600 optometrists, opticians and ophthalmologists who share the same objective: Help Canadians experience better vision. In 2015, 3.4 million people were estimated to suffer from Diabetes*. According to the Public Health Agency of Canada, approximately 20% of Diabetes cases go undiagnosed. Diabetes may have serious repercussions on the eye and eyesight; Diabetes being one of the main causes of blindness in Canadians under the age of 50. The optometrists at IRIS invite you to come see them for an examination of both your vision and eye health, including your retina, to screen for diabetic retinopathy. Our IRIS professionals will take care of you and refer you to other professionals or resources, if necessary.

*Canadian model of the cost of Diabetes.

Registration is simple. Visit any IRIS location or iris.ca/advantage and use the **access code: DIABQC**. Do you have any questions or do you need extra help? Send us an email at the following address: advantage@iris.ca
